EXPERIENCE

UI Developer Intern   Jan 2014 – May 2014

Times Internet Ltd. (Times of India), Noida, Uttar Pradesh, India. (http://timesofindia.com) Developed several templates for the India's leading media website. The work included developing a new JS based async ad-structure which allowed caching, and helped in speeding up the loading time of website. I also built several components from scratch for the redesigning of TOI website.

Freelance Work   May 2012 – June 2012

Foot Levelers Inc., United States. (http://fsat.ankitduseja.com) Worked as a freelance developer for U.S. based medical equipment firm named as Foot Levelers, Inc. The job included creating desktop as well as web based mobile applications for report generation using their propriety algorithm's. Based on the analysis of computed results, the users were presented with a report containing their personal information with

pictorial exercises and QR codes which linked to the respective YouTube videos.

IT Management, Summer Intern   August 2010 – October 2010
Som Group of Companies, Bhopal, Madhya Pradesh, India. (http://somindia.in)
Worked as an intern for two months at the headquarters of Som Group. The job included setting up companies website from the scratch, making their websites self-hosted, shifting of their email infrastructure from a local hosting company to Google Apps, configuring the headquarters firewall to avoid illegal usage of Internet using OpenDNS, creating a standard PowerPoint template for the Company, etc.

Web Developer, In-House Project   October 2009 – 2011
AnilDuseja.com, Bhopal, Madhya Pradesh, India.
Coded a dynamic portal of share market tips where users can access live information. It sports features like synchronizing tips with social networks like Twitter, Facebook. It also includes live messaging of the tips to premium users via SMS, emails, XML feed and more.

Technology Author, Part-Time   June 2008 – July 2010
Techlivez.com, Agra, Uttar Pradesh, India.
Started freelancing as an author at Techlivez.com in June 2008 with two other authors and by the year 2009 the blog had around 10 regular authors. In Summer 2010, it was ranked in Top 30 Gadget Blogs in the World. You can read my articles at http://www.techlivez.com/author/ankit/

Freelance Web Designer and Blogging
Designed and developed various web sites and promotional media for small businesses. Utilized contemporary design to create concise web sites for specific client needs. Site creation included use of CSS, HTML, JavaScript, MySQL, PHP and similar technologies. Created and assembled web graphics, including logos and advertisements.

EDUCATION

Master of Computer Application (MCA)   July 2011 – Present
Vellore Institute of Technology, VIT University, Vellore, India.
Studies focused in application development, IT project management, multimedia design, technical planning, and business case analyses. Creating working prototypes for numerous web site projects and desktop applications.
